

## **Hosting Organization description**

Hellenic Youth Participation (based in Athens, Greece) stands for intercultural dialogue, non-formal education, mutual understanding and solidarity.

The main aim of the group is to inspire and stimulate European citizens to become active parts of their local and European community. We wish to motivate young people to become involved and to raise awareness about current values like equal opportunities, social inclusion and cultural diversity.

Through our projects we aim at the promotion of non-formal differentiated learning and the importance of personal development.

HYP is active on a local, national and European level.
